KIMUKATSU

No. 1 Layered Katsu from Japan

Kimukatsu is a katsu restaurant originating from Japan. The restaurant is renowned for its mille-feuille-style katsu menu, consisting of thin and savory layers of chicken or beef, wrapped with various delicious flavors and fillings. Kimukatsu was founded by Mr. Shingo Kimura in 2006.

Kimukatsu has obtained halal certification, making it accessible to all members of the Indonesian community. The restaurant is committed to using high-quality and halal ingredients, as well as maintaining hygienic processing procedures.

Since 2018, Kimukatsu has rapidly grown across Indonesia's major cities. Committed to excellence, we are on our way to open 100 stores nationwide, sharing our love for Japanese cuisine throughout the entire archipelago.
